PRESIDENT'S MESSAGE

On behalf of the Directors and Volunteers I would like to welcome you all to our 150th Annual Elmvale Fall Fair. What an amazing achievement – 150 years of Fall Fairs in Elmvale and surrounding area! I would like to extend a sincere Thank You to the people who are helping to continue the tradition of an agricultural fair in our community.

We have several special events planned for this years' Fair to celebrate our 150th Anniversary. There are special prizes available in most sections of competition. George Allen's book on the history of our Fair is now available. Construction of our new livestock barn is nearly complete (at time of printing). Please join us as we celebrate with a Grand Opening & Barn Dance to be held August 28.

This years' fair continues our tradition of strong support from our local schools. From the always large and vibrant school parade on Friday, to the numerous school displays in the arena, to the outstanding participation in our Junior Fair Competition, we are truly blessed to have so many young people involved in our Fair. They are our future and we hope to have their continuing involvement for many years to come.

Some people are attracted to the Fair by the midway, others by the roar of the tractors at the tractor pull. Others come for the competition in the cattle or horse rings, baked goods, crafts, needlework, preserves, school displays, field crops, baby show or one of the many other classes. The Ambassador competition and the entertainment in the arena also attract many people. To me the Fair has always been an opportunity to catch up with friends who have returned from "away" for Thanksgiving and the Elmvale Fall Fair.

Please join us and continue the homecoming tradition this Thanksgiving weekend by "Harvesting the Memories" with friends (old and new) and family.

*Sincerely,
Ken Bertram*

FALL FAIR AMBASSADOR 2009-2010

Nadia Graham

As the 2009/2010 Ambassador I would like to take this opportunity to thank everyone for attending the 150th Annual Fall Fair. This past year has been an exciting one, with many things to look forward too as well.

This fall Elmvale celebrates the 150th year of our spectacular Fall Fair, with the opening of our new barn. This has presented us with many future opportunities for excitement and entertainment.

This time of year is magical, and the Fall Fair is at the heart of the many wonderful traditions we share in this town. Thanks to all of the directors and executive members for keeping this event alive. The Fair means so much to our small community.

For guests and participants in the festival, enjoy this weekend, and all of the excitement it brings forth. I have had a wonderful time representing this great fair over the past year, and encourage any youth to take on this role in the future. Good luck to the contestants, and everyone that entered exhibits. These friendly competitions help to showcase some of Flos' greatest creativity and skill.

The past year has been a delight, as I've travelled to board meetings, district meetings, Conventions and the CNE. The most prestigious of all though, was winning First Prize in the Elmvale Santa Clause Parade, with our Olympic float. Thanks to everyone that has helped to make my reign a wonderful experience.

Enjoy your weekend.

Sincerely, Nadia Graham

JUNIOR FAIR AMBASSADOR 2009-2010

Cassidy Eames

My name is Cassidy Eames. I am a grade 8 student at Our Lady of Lourdes School. This year I am the 2009 Junior Ambassador for the Elmvale Fall Fair. Doing this has allowed me to learn and participate in many new things. The first thing I was able to do was help by handing out ribbons at the calf show. Cows being my favourite animal, this was very exciting. Another thing that being Junior Ambassador has done is taught me the do's and don'ts of being polite and how to present myself. When I was being taught this I was told that was the proper way "Ambassadors" should act, but really it is the way everyone should behave. The last thing Junior Ambassador has done for me is it has introduced me to new people. Thank you to everyone who sponsored this competition. Being Junior Ambassador has taught me things I can apply to my life now, and will forever.

CHILD IDENTIFICATION PROGRAM

Conducted by the Coronation Masonic Lodge #466
(Elmvale)

Friday 11:30 - 4 pm

Saturday 11:30 - 4 pm

Each participant will receive a comprehensive package containing digital photos, digital videos, digital fingerprints, vital child information, a dental bite impression and an oral DNA swab. The first four items are burned onto a CD and along with all other items placed in a sealed envelope and given to the family for their retention with the sincere hope that it will never be required to use it during an emergency situation. All of the collected information is then immediately deleted from the computers.

“Why bother with these programs?” Unfortunately in 2008 alone, there were over 56 thousand disappearances and in the first hours of each, the Police will request the type of information that we provide on each individual. Reasons for each disappearance are: stranger – 56, accident - 37, wandered off – 560, parental – 300, runaways – 40,289, unknown – 12,441, other – 2,419, total – 56,102. The preceding statistics are provided by the RCMP National Missing Children Services.

ELMVALE FALL FAIR STOCK & VINTAGE TRACTOR PULL FRIDAY, OCTOBER 8TH - 6:00 PM

Contact Scott Graham 705-322-0896

Chairman: Dan Clement; Dave Bertram, Steve Buchanan, Nick Graham, Scott Graham, Paul Kenney, Glen Moreau, Paul Ritchie, Cory Smith, Chris Swift, Dan Tinney

RULES AND GUIDELINES

1. Number of competitors will be limited in each class.
2. Tractors must be pre-registered, with local residents living within a 25 km radius of Elmvale having until September 15th, 2010 to register. After September 15th, registration will be opened up to non-residents. A "Grandfather Exemption" may apply at the discretion of the tractor pull committee.
3. Participants must provide proof of insurance coverage for their tractor at time of registration.
4. Each driver is only allowed to drive one tractor in one class during the pull. If registering more than one tractor, each additional tractor must have a new driver. Note: New "open" classes will be exempt from this rule.
5. Drivers will not be allowed to move up to the next class.
6. A puller and one helper will be allowed free admission to the grounds.
7. Drivers must be at least 16 years of age. If under 18 years of age, driver must have parent's consent.
8. All vehicles are subject to an inspection. Each tractor may only be entered by one driver in a class. Each driver may only drive one tractor in a class, except specialty classes.
9. No one is allowed on the track except persons running the tractor pull, and the contestant.
10. All pulling vehicles must be weighed prior to the competition. The maximum weight per class includes both the pulling vehicle and the driver.
11. All pulling vehicles must have an operator in the driver's seat while being started.
12. All pulls must be started from a tight chain, and on the raising of a green flag by the flag man.
13. All pulls shall operate with 2 flag men on the lefthand side of the track. The starting flag man will be responsible for the readiness of the track, pulling machine and contestant. The second flag man will be responsible for the balance of the course, under the guidance of the Track Official.
14. All vehicles must be in neutral or park (transmission selector) while being hitched or unhitched. Driver must raise both hands while hooking and unhooking.
15. Puller may have the sled spotted in the location of his choice with sufficient notice to the pull-back tractor operator during the return of the sled to the starting line following previous pull. If preceding puller moves the sled any measurable distance, the next puller may have the sled relocated prior to his first attempt.
16. Any contestant who wishes to make his draw in a different gear from which he started his pull, may opt to stop his vehicle

- before the 75 foot mark. At this point the sled will be returned to the starting position and one new draw will be allowed.
17. At the discretion of the pull committee, the first contestant of each class will be the "test puller" and at the completion of his or her pull may elect to pull again in 3rd position. If a driver elects to do this, his first pull will not be counted. All decisions or re-pulls must be made before the pulling vehicle is unhooked from the sled.
 18. Tractors must be stopped immediately upon signal from the flag man. The signal will be the raising of a red flag by the flag man located alongside the edge of the track on the lefthand side of the pulling vehicle. The pull will be considered over when the forward motion of the sled stops.
 19. Drivers must remain seated at all times during their pull.
 20. No riders in or on pulling vehicles while pulling.
 21. All vehicles must have functioning brakes.
 22. All weights must be securely fastened on brackets and NOT in the cab or on the platform (no chains). The weights must not obscure the forward or rear vision of the driver.
 23. The hitch must be rigid in all directions, and solidly mounted to the vehicle frame.
 24. "D" Hitching Device: The diameter of the square or oval hole is a minimum of 3 inches at the longest measuring points of the hole. From the rear point of the hole to the rear point of the hitching device is a maximum of 1-1/2 inches.
 25. Hitch point must be visible and clear for sled hook-up.
 26. All tractors must be put in a staging area following weigh-in, and not returned to the pit area.
 27. Pressurized fuels such as propane or nitrous oxide are not allowed as a secondary fuel.
 28. The persons competing must drive the tractor onto the track and off (unless disabled) after competing, with no change of driver.
 29. The contestant must proceed with pull at position drawn within 3 minutes of the time the sled is ready. If a puller has a mechanical problem he must drop to the last position. Rule called by Track Official.
 30. All participants must obey the rules of the Ontario Tractor Pullers Association.
 31. Stock tractors must have hood, floorboards, grill, fenders and be stock appearing. Engines must be stock or manufacturer's replacement for that model.
 32. No four-wheel drive or dual-wheeled tractors shall compete against two-wheel drive tractors.
 33. On tractors weighing up to 8,500 lbs. The maximum drawbar height is 18 inches from the top of the hitching device to the ground. On tractors weighing 10,000 lbs. or over, the maximum height is 20 inches from the top of the hitching device to the ground. The minimum drawbar length is 18 inches from the centre of the rear wheel to the point of the hook.
 34. Stock tractors with a turbocharger may pull all stock tractor classes, as long as the turbo is/was factory warranted with the tractor.
 35. Tractor exhaust systems with no mufflers must be pointed away from the crowd. Turbo tractors with no mufflers must have two 3/8 grade 5 bolts in vertical portion of exhaust pipe. Bolts to be installed 90 degrees and within 1 inch of each other.
